Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on Aug. 7, 2006 is not fully responsive to the prior Office action because the species elected is not disclosed in any of claims in the current application. An elected species of "hepatic cirrhosis" is not claimed in this application. Applicant is advised to elect species from kidney disorder, pancreatic disorder, hepatic disorder, cardiac disorder, hematological disorder, or genetic disorder. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a). The appeal stands dismissed.
